
 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-522-4161 (TTY: 711). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p>Calendar Year: \$2,000/Individual or \$4,000/Child(ren) (Where eligible for dependent child coverage)</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. Preventive care, prescription drug coverage, emergency room care, in-network dental and vision care are covered before you meet your deductible.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>Yes. Out-of-network Dental: \$15/individual & \$30/Child(ren) (where eligible) and \$100 for prescription drug coverage. There are no other specific deductibles.</p>	<p>You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p>\$7,900 individual (Medical - \$7,110 & prescription drug coverage - \$790)/\$15,800 Child(ren) (where eligible) (\$14,220 & \$1,580) from 10.01.19 – 12.31.19 / \$8,150 individual (\$7,335 & \$815) / \$16,300 Child(ren) (Where eligible) (\$14,670 & \$1,630) from 01.01.20 – 12.31.20.</p>	<p>The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.</p>
<p>What is not included in the out-of-pocket limit?</p>	<p>Premiums, balance-billing, vision and dental charges and penalties for failure to obtain preauthorization and health care this plan doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p>
<p>Will you pay less if you use a network provider?</p>	<p>Yes. See www.HorizonBlue.com (call 1-800-355-BLUE [2583]) or call 1-800-522-4161 (TTY: 711) for a list of network providers.</p>	<p>This plan uses a provider network and there is no coverage for out-of-network providers in most instances. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as anesthesia and lab work). Check with your provider</p>

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
