

AT-HOME COVID-19 TESTS AT NO COST TO YOU.

Navigating COVID-19 can be hard, but we're making it easy for you to afford an at-home COVID-19 test when you need one. If you have Express Scripts pharmacy coverage through our company, you can visit your local retail pharmacy for at-home COVID-19 tests at no cost to you.^{1,2,3}

Here's how it works:

- Call your local retail pharmacy to see if they have at-home COVID-19 tests available.
- Take your Express Scripts ID card to a retail pharmacy in your network.
- Bring the COVID-19 test to the pharmacy counter, not the regular checkout lane.⁴
- Check out at the pharmacy counter and show your ID card. Your at-home COVID-19 test should automatically ring up at no cost to you.

Here are a few helpful places to find information:

- **To find a retail pharmacy in your network:**
Visit express-scripts.com and click "Find a Pharmacy."
You can also use our mobile app.
- **If you weren't able to purchase your at-home COVID-19 test(s) at the pharmacy counter, or happened to be charged:**
You can submit your receipt for reimbursement of up to \$12 per test online at our COVID-19 resource center.

For more information about COVID-19, or to submit a receipt for reimbursement, visit the Express Scripts resource center at express-scripts.com/covid-19/resource-center.
